dermalogica for the face

Using only the finest ingredients and most advanced techniques, Dermalogica has pioneered new standards in beauty therapy. Products are free of irritating colours or fragrance and all treatments are bespoke and tailored to your skin's specific needs.

The Dermalogica Face Treatment €85

The essential Dermalogica facial, this treatment uses face mapping skin analysis to determine exactly what your skin needs, before delivering an individual treatment, fully customised for your skin, which includes a deep cleanse, exfoliation, mask and massage.

The Power Regeneration Treatment €95

Combined vitamin and hydroxy acid exfoliates while energising massage techniques release tension. Dermalogica's specialised contour masque finishes this ultimate skin therapy for prematurely ageing, dry, de-vitalised skin. Your skin will be noticeably firmer, smoother and revived.

Medicated Clearing Treatments €95

Breakouts have finally met their match. Our Medicated Clearing Treatment focuses on purifying your skin with deep cleansing, followed by extraction.

Environmental Control Treatment €95

Ideal for skin that's red, inflamed or uncomfortable, this treatment uses a super-soothing cleanser which will remove impurities from your skin, followed by an oatmeal mask to instantly calm and reduce inflammation.

Skin Brightening Treatment €95

Perfect for lightening skin with brown spots or uneven pigmentation. This treatment, when combined with proper home care, actually regulates pigment production on a cellular level, helping to balance the complexion.

Express Treatment €55

This mini treatment is a great introduction to Dermalogica skin care. It includes cleansing, toning, face mapping and moisturising.

Revitalising Eye Rescue €50

Designed to firm and tone the eye area, this treatment helps to diminish fine lines, reduce puffiness and soothe irritated tired eyes.

md formulations for the face

This exclusive product line is based around AHAs, primarily glycolic acid, which dramatically improves skin tone and reduces the signs of sun damage, fine lines, dryness, pigmentation and acne.

Illuminating Facial €90

Especially effective for the treatment of pigmentation and uneven skin tone, this treatment also brightens all skin types. Gentle extracts of mulberry and vitamin C rebalance the skin tone whilst a unique blend of antioxidants helps combat the signs of ageing and imperfections.

Clearing Facial €90

Eliminates skin impurities to leave the skin feeling clean and clear. A unique antibacterial action helps diminish breakouts and imperfections and rosemary calms inflammation. A relaxing yet deep cleansing facial, ideal for problem prone skin.

Antioxidant Hydrating Facial €90

First aid for parched, dehydrated skin, especially effective after sun exposure or flying. An enriched moisture mask deeply hydrates skin by 100%. The skin is left feeling comfortable, supple and replenished.

Age Control €90

This ultimate anti-ageing facial uses high potency vitamin A to repair and renew damaged skin, diminishing the appearance of fine lines and uneven pigmentation. The skin glows with vitality and youth.

Rosacea Management €90

Gentle yet effective products help to soothe and calm irritated skin. The powerful combination of camomile and liquorice restores security and calm to the skin.

Extreme Care €90

Designed to take the heat out of stressed skin. Ten phytoantioxidants work to restore calm to the skin, soothe inflammation and redness. A calming, soothing and re-balancing TLC treatment.

glycolic peels

Glycolic Acid Peel (Deep Exfoliating Treatment) €100

A unique treatment which eliminates dead skin build-up and deep cleanses pores, leaving the skin glowing with health. The treatment encourages the skin's natural collagen production and moisture levels, resulting in a clear and bright complexion with firm and toned contours. Ideal for all skin types particularly ageing and congested skins.

Alpha / Beta Peel €125

An enhanced deep-rejuvenating treatment, which removes dead skin build-up, allowing the skin to shine with a new-found radiance. Collagen production and moisture content of the skin is enhanced resulting in a plumper, younger-looking skin.

Alpha / Beta Rosacea Peel €125

This gentle yet effective treatment reduces skin redness and inflammation to calm and rejuvenate the skin. Skin's clarity is restored by the stimulation of natural collagen production. Ideal for the most sensitive skins and rosacea.

freshen up service

The "Freshen Up Service" at **queen** has evolved from our commitment to excellent client care. You are invited to have your haircut freshened up between your regular salon visits, to keep elements such as your fringe or tailored detailing around your face, fresh for it's duration. This service is complimentary and you don't need an appointment – so please enjoy being a regular client at **queen** and let us help you to "love what we do".

love what we do

At **queen**, our commitment to client care is summed up by "love what we do" – it's both a statement and an invitation. We love what we do and want you to love it too.

customer information

Customers may be asked to have a patch test for certain services. If you need to cancel your appointment, we would please ask for 24 hours notice.
